& Associates, CPAs, P.C.

**2022 SUMMER LEADERSHIP PROGRAM**

## MAKE IT YOUR OWN

Your career can be anything you want it to be. The **Soukup, Bush & Associates Summer Leadership Program** is designed to give you a first-hand look into the world of public accounting while enhancing the leadership skills you've already displayed. You'll be able to experience various aspects of this growing industry and make informed decisions about your future.

## WHAT SHOULD I EXPECT?

Over the two days you spend with us, you'll get an in-depth look behind the scenes of our firm. In our workshops we'll cover:

- Choosing a career path
- Why should I enter public accounting?
- Tax or audit? What about both?
- Benefits of a local firm
- What classes should I be taking to succeed?

**That's not all!** Other topics include:

- Legendary Service
- Networking and relationship building
- Resume clinic
- How to stand out to recruiters
- Surprise fun activity

Most of all, we want this program to be about **YOU!** This is your opportunity to ask questions, go behind the scenes and to learn why public accounting is such a rewarding and fulfilling career.

## WHAT ARE THE BENEFITS?

- Networking opportunities with firm leaders and associates
- Get to know the team and envision yourself as a part of this firm
- Learn about opportunities in the accounting industry
- Learn about our daily life and the projects that we work on
- Develop your skills and gain knowledge you'll need to succeed in public accounting
- **Get the inside track to future internship & associate positions at our firm**
